## **The Future Kingdom: Volume 1: The Patriarchs** Stephen R. Bush

One of the great weaknesses of the contemporary Western church is that Christians are not well-informed about their future role as rulers over this earth. Believers talk about the current heaven as if this were the ultimate destination in God's plan for humanity. It is not. Believers are not excited about what awaits beyond death. But they should be. Stephen R. Bush seeks to increase our passion for where God's people are headed in the Future Kingdom. This volume, the first in a three-part series, takes the reader from Genesis through the Psalms as the story of Christ's coming Kingdom unfolds through history. The style is both in-depth and conversational, and the content is based upon the exposition of specific passages of Scripture. What do the lives of Adam, Abraham, the Patriarchs, Moses, Joshua, and David have to tell us about the Future Kingdom? The answers will lead you into greater faithfulness to the Lord in the here and now.
