Touch

Touch

This work is touching in the true meaning of the word Jeff Palmers artistic male photography presents American dreamboats in sensual and intimate togetherness. Muscle-bound men in highly emotional scenes are masterfully enveloped in light and shadows. They open up to the cameras lens with both self-assurance and abandon. Palmers newest works took quite some time to complete and you can see it in the results. Those looking for a snapshot aesthetic may be disappointed. But those who appreciate meticulously composed photographs of male nudes are sure to be delighted.
