## **Vagabonds of Gor (Gorean Saga)** John Norman

Cabot and his friend Marcus, of Ar's Station, who have been spying for Ar in the Cosian encampments, now seek the long-inert forces of Ar to report acquired intelligence to their commander, Saphronicus, who proves to be of the treasonous party of Ar. Cabot and Marcus are placed under arrest, as spies. Primary forces of Ar, largely inactive in recent months, are now to pursue Cosian forces withdrawing from Ar's Station, through the vast Vosk delta to the sea. The Cosian forces, however, have avoided the delta, and the delta campaign is a ruse to decimate the armed might of Ar, to use as a weapon the marshes and swamps of the delta itself, their treacherous, trackless wildernesses and wastes, the quicksand, the insects, the serpents and reptiles, the local populations, to deliver a final decisive blow to what was once the unchallenged splendor and power of Gor's finest infantry.

Rediscover this brilliantly imagined world where men are masters and women live to serve their every desire.

***Vagabonds of Gor* is the 24th book in the Gorean Saga, but you may enjoy reading the series in any order.**
