Yacht Log (Maritime)

Yacht Log (Maritime)

A traditional yacht log with wire binding inside its handsome leather-look outer binding, this book contains space for the yacht's vital data, a Register of Guests with room for recording 96 visits aboard, a Radio Log with entries to cover 64 transmissions, and a guide to using the log by schooner-captain Ken Mahler. There are double pages to record all data - time, position, course, current, wind, weather, maintenance notes, crew on board, navigator and skipper, engine or sail combination while under way-and there are enough of these pages to cover 65 passages or short cruises. This is a very useful yacht log in a convenient-to-use size and weight.
