For U.S. History survey courses

This package includes MyHistoryLab®

Frame American history through personal and collective journeys

The American Journey: A History of the United States traces the journeys — geographical, ideological, political, and social — that make up the American experience. Harnessing the stories of individuals from different eras, the authors present a strong, clear narrative that makes American history accessible to students. Offering a blend of political and social histories, the **Eighth Edition** continues to show that our attempt to live up to our American ideals is an ongoing journey — one that has become increasingly more inclusive of different groups and ideas.

Enhance learning with MyHistoryLab

MyHistoryLab for the U.S. History survey course extends learning online to engage students and improve results. Media resources with assignments bring concepts to life, and offer students opportunities to practice applying what they've learned. Please note: this version of MyHistoryLab does not include an eText.

NOTE: The print component included in this package is a **Pearson Books a la Carte edition**: a convenient, three-hole-punched, loose-leaf text. In addition to the flexibility offered by this format, Books a la Carte editions offer students great value, as they cost significantly less than a bound textbook.

The American Journey: A History of the United States, Eighth Edition is also available via **REVEL™**, an interactive learning environment that enables students to read, practice, and study in one continuous experience.
