Crossover: Book Four of the Back to Normal Series (Volume 4) Mr. Randy L McWilson

It is December, 1956.

Christmas isn't the only thing coming to town.

The ruthless forces of Project SATURN have finally uncovered the conclusive evidence they require. With Normal, Illinois within the government's crosshairs, time has nearly run out for the struggling band of desperate but hopeful Jumpers.

But now that Emile Papineau has been horrifically murdered, can Doc Stonecroft complete the Tesla portal before they are apprehended by the CIA? Will the growing animosity between Denver Collins and Robert Sheppard tear the fragmented and fragile group apart?

More gut-wrenching tragedy and a surprising source of help awaits in Crossover, the final installment of Back to Normal Series One.
