If Language

Gregory Betts

If Language Gregory Betts

Poetry. "Greg Betts is writing anagrams. Is his project zany? You bet it is" - Christian Bok. Containing 56 paragraph-long perfect anagrams of an original seed-text, Gregory Betts' IF LANGUAGE takes a one-time parlor game to its evolutionary extreme. Each poem is exactly 525 letters. The book asks: what are the limits of individuality within a closed system? Betts explores this question with humor, intellect, and with a manic obsession capable of turning a simple game into this wildly original exploration. "If language is an economy, then Gregory Betts' IF LANGUAGE skips the boom and the bust and revels in the echo" - Derek Beaulieu.

From reader reviews:

Inez Morales:

Book is to be different for each and every grade. Book for children until adult are different content. To be sure that book is very important usually. The book If Language has been making you to know about other know-how and of course you can take more information. It is rather advantages for you. The book If Language is not only giving you far more new information but also to get your friend when you really feel bored. You can spend your current spend time to read your reserve. Try to make relationship with the book If Language. You never experience lose out for everything if you read some books.

Efrain Floyd:

Your reading sixth sense will not betray you, why because this If Language publication written by well-known writer whose to say well how to make book that can be understand by anyone who have read the book. Written inside good manner for you, still dripping wet every ideas and composing skill only for eliminate your current hunger then you still skepticism If Language as good book but not only by the cover but also from the content. This is one book that can break don't assess book by its cover, so do you still needing an additional sixth sense to pick that!? Oh come on your reading through sixth sense already alerted you so why you have to listening to yet another sixth sense.

Kent Dennis:

Beside that If Language in your phone, it can give you a way to get more close to the new knowledge or information. The information and the knowledge you are going to got here is fresh in the oven so don't be worry if you feel like an older people live in narrow small town. It is good thing to have If Language because this book offers for your requirements readable information. Do you occasionally have book but you rarely get what it's about. Oh come on, that will not end up to happen if you have this in your hand. The Enjoyable arrangement here cannot be questionable, like treasuring beautiful island. Techniques you still want to miss the idea? Find this book and read it from at this point!

Henry Heath:

Reading a book make you to get more knowledge from the jawhorse. You can take knowledge and information from a book. Book is composed or printed or created from each source in which filled update of news. With this modern era like currently, many ways to get information are available for anyone. From media social like newspaper, magazines, science book, encyclopedia, reference book, new and comic. You can add your understanding by that book. Are you ready to spend your spare time to open your book? Or just looking for the If Language when you required it?
