## **Life Is Elsewhere** Milan Kundera

The author initially intended to call this novel *The Lyrical Age*. The lyrical age, according to Kundera, is youth, and this novel, above all, is an epic of adolescence; an ironic epic that tenderly erodes sacrosanct values: childhood, motherhood, revolution, and even poetry. Jaromil is in fact a poet. His mother made him a poet and accompanies him (figuratively) to his love bed and (literally) to his deathbed. A ridiculous and touching character, horrifying and totally innocent ("innocence with its bloody smile!"), Jaromil is at the same time a true poet. He's no creep, he's Rimbaud. Rimbaud entrapped by the communist revolution, entrapped in a somber farce.
