## **The League of Anubis** D.A. Madigan

When high school nerds Mike Nelson and Vicki Hansen are invited to join the exclusive Anubis Society, they think they've found the perfect geek hangout... a spot where they can read some comics, play some Magic, nosh on a little junk food, do a little RPGing, and generally get their fanboy/fangirl on in style.

But within the Anubis Society lurks the much more secretive League of Anubis... an inner clique of highly imaginative young teenagers who have learned the truth... that they are actually reincarnated Egyptian Gods, exiled to the mortal Lands of Clay while Horus, Set, and Sobek stage a coup in the Upper Realms.

To set things right both Above and Below, these young daydreamers will have to somehow learn to be gods all over again... but in the meantime, as ancient divine passions reignite, will all too human jealousy tear the League of Anubis apart from within?
