Too Many Frogs! Ann Hassett

Nana Quimby has a problem. She wants to bake a cake, but it seems her cellar is filled with water! Too much water! Nana puts a call in to the plumber, who makes a house call. After the plumber leaves and the water is gone, with just one thump, Nana Quimby has an even bigger problem: TOO MANY FROGS! First one frog comes from the basement. Then ten frogs. Then twenty, thirty, then more! Nana Quimby goes about her cake-making business. But the thumping, bumping, banging, bonking frogs become too much to ignore! With the help of some clever neighborhood kids, will Nana Quimby be able to solve her problem and enjoy her cake in peace and quiet? CROAK!

Sketches from the Author

(Click on Images to Enlarge)

Drawing a frog is harder than you would think. They're all folded legs and arms and googly eyes.

But drawing millions of frogs turned out to be fun.

Sketches of all the characters are drawn until they seem just right.

Each illustration is drawn over and over. Whoever invented erasers was on to something.

Nana Quimby and I spent a lot of time in her kitchen. She baked a cake. I painted frogs.
