Passion In The Blood: The Montbryce Legacy~IV (Volume 4) Anna Markland

"She glanced over to one of the entrances. Her mouth fell open. A tall knight stood there. He was the most striking man in the whole assembly. His handsome face was gentle, and his lively eyes searched the chamber. His long dark hair, tanned complexion and self-assured stance bespoke a man it would not be wise to challenge."

Juicy historical fiction.

Praise for Passion in the Blood:

"Anna Markland's historical romance of Robert and Dorianne during the upheaval between England and Normandie is sheer genius! History comes alive when one reads their story. The details are woven seamlessly into this story of true love and passion." Lynn Crain, author of *A Lover for Rachel*

"A grand novel in the Norman period when knights went back and forth between England and France. Full of suspense and very romantic. As well as being well written." Venona-Amazon Reviewer

Overview: There is one man she is forbidden to love. Her family will stop at nothing to avenge a past wrong.

More praise for Anna Markland:

"A sexy read of medieval romance with treachery, envy, lust and love all playing a part." Michele Drier, author of *SNAP*.

"In the tradition of the sweeping sagas of the 20th century, the fourth installment of the Montbryce Legacy, sends us careening through the early Twelfth Century. So much action-- the author deftly brings home the brutality of family and political realities of this distant time period." Denise Domning, author of *Almost Perfect*.

If you enjoy the historical richness of Ken Follett, you'll love Anna Markland's books. Follett with a woman's touch!
