## **Self-Confidence: How To Become Incredibly Self-Confident In A Short Amount Of Time** Mr Benjamin Smith

This book bundle includes THREE very powerful self-help books that help with increasing and improving your self-confidence in a short amount of time! Book 1) Law Of Attraction: In this book, Law of Attraction you will get to learn the guiding principle within the law of attraction, far from the literal sense of physical attractiveness. You will learn that contrary to popular belief, happiness and prosperity are not determined by your pre-disposition, and they also do not result from sheer good luck. Instead, they are results of your conscious effort to open yourself to riches, to love, to joy, and to all the positive things that make life easy and enjoyable. Book 2) Habit: Did you know that everything that you do is a direct result of using your subconscious mind? You may not be aware of it, but behind the scenes the subconscious is working 24 hours a day recording everything that happens to you. It is also recording responses to given triggers. If you feel fear or apprehension, this is because your subconscious has registered some resistance to doing whatever it is that you are trying to do. Your failures and your successes therefore depend upon changing the patterns that exist and making them into more positive patterns. Inside this book you'll learn how to develop good positive habits that increase your SELF-CONFIDENCE Book 3) Self-discipline: Having self-discipline is extremely important if you want to better your life and increase your self-confidence. Did you know that everything that you do is a direct result of using your subconscious mind? You may not be aware of it, but behind the scenes the subconscious is working 24 hours a day recording everything that happens to you. It is also recording responses to given triggers. If you feel fear or apprehension, this is because your subconscious has registered some resistance to doing whatever it is that you are trying to do. Your failures and your successes therefore depend upon changing the patterns that exist and making them into more positive patterns which will directly improve your self-confidence and lead to a more happy and fulfilling life!
